We completed the laying of 10" Cement Lined Cast Iron Pipe through Summer Street, from Broad, near Pine, to Pleasant; thus giving that area much better fire protection. We also started to lay an 8" Cement Lined Cast Iron pipe to Sullivan Flat, but the pipe was received so late in the season and so little help could be hired, that the work was only partly done.

During the dry part of the season the New White Water Brook Reservoir was drawn down to Seventeen Million Gallons, although our storage of water did not get down below One Hundred Six Million Gallons. We experienced some difficulty in keeping the Dole Reservoir full. The 10" pipe line from the Rice Reservoir to the Dole appears to be too small, with such a low head - only about thirty feet.

25,634,000 gallons of gas was generated in the Digestion Tanks, being more than enough to heat the tanks and building.

At the Annual Town Meeting of 1945, the Town voted to extend Sewers to the west end of Maple Avenue. This has not been done because materials have not been available, and at the present time conditions are not much improved.

Owing to increased cost of materials and labor, it appears that the $80,000.00 raised would not be adequate to complete the project.

We had 97 Plugged Sewers during 1946. Too many people let them go until the week-end and then tell us the sewer had bothered them for two or three days.

PLEASE DO NOT WAIT. Call the Office at once and you will not be without good sewer service.

REPORT OF THE TRUSTEES OF THE FISKE FREE LIBRARY

The circulation for 1946 shows a sharp increase over last year due to the fact that people are having more time for reading and study than during the war years.

We have circulated 67318 books and magazines a gain of 8810 over last year. The gains were most noticeable in biography, history, travel, fine arts, useful arts and the social sciences. Books on vocations, salesmanship, building, psychology and public speaking have been called for and a number of new books on these subjects have been added.

1370 books have been added.

579 new borrowers registered.

1040 books discarded

21861 juvenile books were sent out. Many attractive books have been bought. Career books are very popular with the girls. The boys like books on hobbies, adventure and aviation. There is a great need for more books for young people.

The inter-library loan service which is growing in importance has been used very often. The State Library continues to be our greatest help in supplying subject material which we do not have.

Books have been selected and sent to the public and parochial schools, Bookmobile Frances J. Tolles Home, Monday Reading Club, Newbury Public Library, Cornish and several other groups.

The attention of the public has been called to books by table exhibits, bulletin board display and by lists printed in the Daily Eagle. We are grateful to the Eagle for that service.

Children's Book Week was observed in November and attracted many people to the library - children, parents and teachers. The children of the 7th and 8th grades of St. Mary s and Stevens Junior High School did some very clever work in llustrating their favorite books. At St. Mary's this took the form of work project and at Stevens, illustrated book report and posters. There was a book quiz for the 5th and 6th grades. Prizes were given for the best in each group. Attractive childrens' books were displayed durin g the week. All this was very efficiently done by our assistant Miss Ina R. Townsend.

A Regional meeting of the N. H. L. A. was held at the Goodwin Community Center in October with about 22 attending. There were talks by Miss Catherine Pratt of the Library Extension Service, Miss Marion Holt of the Concord Public Library, Miss Clark of the Hanover Library

and Miss Townsend of the local library.

Mrs. Mildred Chandler and Miss Inez Rumrill attended the New England Library meeting at Swampscott in October.

During the year we have had several exhibits.

Photograph of the Alaska Highway and the Yukon - Loaned by Miss Ina Townsend.

Japanese Exhibit — Loaned by Mrs. Kenneth Whipple.

Freehand drawings — Loaned by Miss Barbara Stone.

Tiscot Prints — Loaned by Mrs. Morrison Poole.

Author — Illustrator exhibit — Loaned by Miss Edith Hall of Derry Public Library.

During the year many worthwhile gifts have come in. We especially mention the following.

Model of a native Morotae boat — Mr. Harold H. Converse.

Books in memory of Mr. Willard Walker and Mrs. Elizabeth Lane Mrs. Margaret Brooks Jackson and Miss Constance Wychoff

Framed description of the painting of Queen Tomyris — Mrs. William Jarvis.

Books — Mr. Louis Maxson.

Book — Monday Reading Club.

Civil War Diary of George W. Spencer. — Mrs. Cora L. Swafford, Chicago, Ill.

Sketch of the Life of Rev. Daniel Barber and other books — Mrs. Gertrude Wilgus.

Magazines — Col. W. J. Wilgus.

Other gifts have come from individuals, associations, the Government and the State.

The following people have contributed in some way.

American Telephone and Telegraph Co.; Bailey, Miss Josephine; Ball, Mrs. George; Benedict, Miss Clair, Basle, Switzerland; Boardman, Miss Marie, Bonneau, Miss Vivian; Canadian Information Service; Catholic Daughters of America; Chandler, Mrs. Mildred; Colby, Mr. Carroll; Colby, Miss Eleanor; Colby, Mrs. Stanley; Congregational Young People; Converse, Mr. Sydney; Coue, Mrs. Eleanor Foster; Coutermanche, Mr. Victor Currier, Mr. Leslie; Dupont De Nemours & Co.; Fifield, Mrs. William; Goodwin Community Center; Hamilton, Mr. & Mrs. Robert; Haskel, Mr. Robert; Hunter, Mrs. R. HEALTH OFFICERS REPORT

To the Board of Selectmen:

Communicable d seases reported in the calendar year ending January 31, 1946 are as follows:Tuberculosis, 5; Mumps, 119, Scarlet fever, 19; Chicken pox, 51; Measles, 273; Whooping cough, 16; Venerial diseases, 36. We have relied on our school nurse for the reporting of child sickness. We sincerely request of parents to report more o. these sickness's in homes in Claremont, as nearly all diseases are, according to law, reportable to the State Board of Health.

There has been a total of seventy-six nuisance complaints reported requiring investigation and abatement. There has been many more of less importance that required no particular action and were not recorded.

Diptheria immunization for the prevention of this disease has been continued as in former years by the Health Department. This is given to children who have not previously been treated. This work is done on a voluntary basis and free to Claremont children. The treatment is optional, either as a single or double injection treatment, as parents may choose. However, the Health Department recommends two injections, as was used in most cases this year.

Acting in accordance with requirements of Chapter 123, Public Laws of New Hampshire, School children not already vaccinated against Smallpox, were done during the school summer recess or at the beginning of the school year under the direction of the Health Department and with the assistance and cooperation of the school nurse and schools department.

Regular and routine inspections have been made of all food handling stores, restaurants, ice cream and soda fountains, fruit stores, drink dispensing establishments with the general findings up to standards.

Routine sampling of municipal water supply have been made and submitted to State Board of health laboratories at Concord for analysis These samples were collected and submitted by the Water Department and all highly satisfactory.

Meat and milk inspection ha functioned to capacity due to persisting of Government regulations and generalized food shortages.

The Board of Health wishes to thank Miss M. Patten School Nurse, nurses connected with public health work here, the Claremont General Hospital and Staff, the local physicians, and others who have given their cooperation and assistance in carrying out public health work in the past year.

Respectfully submitted,
WILSON R. HAUBRICH, V. M. D.
Claremont Health Officer

REPORT OF MILK INSPECTION

At one time during the past year we very near lost 2,000 quarts of milk delivered in Claremont to Massachusetts dealers, due to price

It is due to the loyalty of the producers and dealers that we didn't lose this supply before the local price was raised.

The shortage necessitated taking on about 33 new producers in and around Newport. Twenty seven dealers licenses have been issued

Producers have been checked as often as necessary, milk samples sent to Concord, and when necessary corrections have been made. Only one producer has been stopped selling milk. Cattle have been T. B. and blood tested as usual.

Trips have been made around to Producers with inspectors of the State Board of Health, and Claremont Producers have received considerable praise from them.

I wish to thank the Producers and public for their cooperation during this past hectic year, with higher prices in other parts of the country and times when they had little or no grain, we in Claremont have had milk.

Respecfully submitted,

LEONARD R. HAUBRICH. M. D.

Milk Inspector.

REPORT OF MEAT INSPECTION

The following is a report of the total number of live stock killed in Claremont during the past year under inspection.

Cattle	Calves	Hogs	Lambs
2206	203	43	4

The following is the number of whole and parts of carcasses condemned as unfit for food.

Cattle	Calves	Livers	Tongues	Other parts
17	14	171	22	42

You will note the small number of whole cattle condemned compared to the large number slaughtered, this is no doubt due to the fact that a great many of the cattle were heavy westerns and fewer old dairy cattle have been killed locally.

Also knowing that inspection exists here, they have not been offered for slaughter. With meat regulations off, the O.P.A. discontinued, and the big packing houses back in operation again, it would seem that a great many less cattle will be slaughtered locally this coming year.

Inspection of meat selling establishments have been made during the past year. When necessary corrections have been made with the price of meat products going down it behooves us all to be on the alert for inferior grades and diseased meat.

The inspectors would greatly appreciate it, if the public will notify us of anything they find wrong.

Respectfully submitted,

LEONARD R. HAUBRICH, M. D.

ANNUAL REPORT OF THE N. H. TUBERCULOSIS ASSOCIATION CLINIC AND NURSING SERVICE CLAREMONT, N. H.

During the year 1946 the N. H. Tuberculosis Association maintained the regular schedule of chest diagnostic clinics for the early discovery of persons afflicted with tuberculosis. An important part of the work of the regular clinic is the "check-up" examination of arrested cases. In cooperation with the local school authorities the association also carried out a tuberculin test survey of 282 students of the freshman and sophomore classes o f Stevens and St. Marys High Schools. The years work:

Number of clinics	9
Number of persons examined at clinics	226
No. of new & old patients having X-ray of chest	176
No. of positive cases of tuberculosis under supervision of clinic	171
No. of new cases of tuberculosis reported of Health Officer	5
No. of patients cared for at Sanatoria	6

This service requires many home visits for health education of the patient and family, "case finding" and "follow-up", Our success and heartfelt thanks goes out to all who help to maintain and foster New Hampshire's winning fight against tuberculosis.

Respectfully submitted,

CLUFFIE M. GOBIE, R. N.

RECOMMENDATIONS

That four ful time officers be added to the department.

That the officers daily working schedule be changed to three eight hour shifts.

That some action be taken on remodeling of the cell block.

That all full time officers be p'aced on an annual salary.

REMARKS

Last year reported that due to the large increase in demands made to the Police D partment the present officers have been called upon to work an un easonable number of hours. Officers have been paid for the extra hours of duty. The time has come to start building the department to meet the present day needs. Conditions have not shown any improvement this past year. I would like to call your attention to the following information:

	1944	1945	1946
Arrests	295	02	714
Drunkenness	139	171	223
Assaults	1	16	31
Disorderly Conduct	0	1	37
Accident	105	203	217
Persons injured	44	41	61
Violations of Motor Vehicle Laws	31	74	122
Parking Violations	25	19	217

Claremont has had its first major labor strike which occured at the Joy Mfg. Co. and lasted thirteen weeks. No person was seriously injured during this period, and only one arrest for misconduct. Our citizens as a majority during this tense and trying period should be commended on their good conduct.

There were 16 juvenile cases this year in comparison to 41 in 1945. This loss in juvenile cases I believe to be the result of efforts of the Junior Sports League and other groups of citizens who have given so freely of their time in helping the young people of the community

The Department sent Deputy Chief William J. Lynch to the National Police Academy this year where he received instructions on different phases of police work. Deputy Lynch will be one of the instructors of a police school to be conducted in our department this year and members of the American Legion Emergency Squad will also attend these classes.

We have just completed two calendar years without Claremont having a fatality caused by motor vehicles. The cooperation of Mr. Lincoln O'Brien of the Daily Eagle in donating so generously of space in his newspaper in printing the daily record of days without a fatal accident. I believe has helped to keep our accidents to a minimum, as it is a constant reminder to drive carefully.

I wish at this time to express my appreciation to all persons and groups of persons who have helped us in trying to carry on the work of this department this past year.

Respectfully submitted,
WILLIAM C. NOBBS, Chief of Police

CHIEF ENGINEERS REPORT

To the Board of Selectmen:

I hereby submit my report for the year ending December 31, 1946.

There were 9 bell alarms and 270 still alarms, making a total of 279 alarms, many of the still alarms represented fires which, but for the prompt notification of the Department, and the equally prompt response would have developed into disastrous fires requiring a bell alarm.

The estimated value of buildings damaged by fire	$ 63,500.00
Insurance on said buildings	42,170.00
Damage to said buildings	41,145.00
Insurance paid on said buildings	27,873.63
Value of contents	21,800.00
Insurance on said contents	10,550.00
Damage to contents	9,100.00
Insurance paid on contents	3,408.95

The motor fire apparatus is in good condition, with the exceptions that some of the trucks are old and obsolete, as voted at last Town Meeting, 1500 feet of 2-1/2 inch hose was purchased during the year, which brings the department supply to about 8500 feet of good hose.

I would like to call to the Public attention, that the Department is handicaped in many places, by the lack of water and pressure due to small water mains. A good illustration of this was the fire at St. Mary's gymnasium on Central Street, the Department had to lay 5200 ft of hose and pump from the corner of Main and Central St. to get a good working stream on the fire. This all takes time, and the fire is not waiting for you.

No new additional fire alarm boxes, have been installed during the past year, but two of the old and obsolete boxes have been replaced with new and up to date boxes, there are box 26 in front of St. Mary's school on Central Street and box 16 on the corner of Pearl and Myrtle Street. Two new boxes are ordered to replace box 48 on Elm Street near the Claremont General hospital, and box 28 on Franklin and School Street. The fire alarm system is in good working condition.

Two new hydrants have been added during the past year, one on Summer Street, opposite the High School, and one on Earl Street.

Personnel of Fire Department.

Allen L. Palmer, Chief
Esmond Dansereau, 1st. assistant Chief
C. L. Cann, 2nd. assistant Chief
C. F. Little, 3rd. assistant Chief

Engine Company No. 1. 8 permanent Men
Engine Company No. 2. 4 call men

Hose Company No. 1 - 16 call men
Ladder Company No. 1 - 16 call men
Fire Police Robert Hadley

I have no recommendations to make this year, for the purchase of additional apparatus. But would recommend the purchase of a new Resuscitator, Inhalator, and Aspirator, our old machine is worn out and a new one is needed very bad.

I also recommend that the salary of the permanent men be increased.

Remarks

To the Board of Selectmen, Police Department, Telephone Company, American Legion, Officers and members of the Department, and the Public in general, my sincere thanks for the cooperation given me.

Respectfully submitted,
ALLEN L. PALMER,
Chief Engineer

FIRE WARDENS REPORT

REPORT OF CLAREMONT MUNICIPAL AIRPORT COMMISSION

This Commission of three was duly appointed under Artidcle 62 of the 1946 Town Warrant. It has endeavored to use the power granted under this Article to maintain, develop and control the Airport in the best interests of the Town. The present activities at the Airport include non-scheduled charter service ,a private flying school, Veterans Training School, Civil Air Patrol, private and commercial flying.

Aside from the routine maintenance of the Airport facilities the Commission has closely followed the State and Federal legislation which might aid in developing and improving our Airport. A project Request for improvements has been submitted to the Civil Aeronautics Authority under the provisions of the Federal Airport Act of 1946, and Federal funds in the amount of $37,825 have been tentatively allocated for our Airport Project with the provision that the Town or the Town and State together will match these funds. The Town of Claremont has been favored with the largest appropraition of all the Project allocations for the 1947 State program. The completion of this project should give the Town the added facilities of scheduled air-passenger and freight service; it furthermore would aid the entire Dartmouth-Lake Sunapee region by exploiting its centrally located position in the entire New York-New England area. From a military standpoint, this project would make possible the operation of fighter-type aircraft should such protection be found necessary in time of War. The Commission does not know when such Federal Aid will again be available for the Airport and it hopes that every citizen of Claremont will give careful consideration to Articles in the 1947 Town Warrant which concerns the opportune development of our Airport.
